

Beaconsfield RFC

200 Club

Registered under the Lotteries and Amusements Act

Heads you win, tails you win

The 200 Club was set up in 1995 to raise capital funds for the Clubhouse and the playing facilities. Since then over £30,000 has been raised which has all been put to good use, most recently in helping to pay for the new sewage and drainage system.

At the end of the year however there were only 95 active participants in the monthly draws so some serious opportunities exist to revitalise and reinvigorate the membership.

For an outlay of £5 per month (per ticket) your chances of winning a prize are considerably better than The National Lottery, and if you win you will be amazed by how easy it is to make new friends.

Approximately half of all money raised is invested directly in capital projects within the Club for the benefit of all players and their friends

Monthly prizes (based on 200 participants) of:

1st Prize - £250 2nd Prize £100 3rd Prize £50
with an annual star prize of £1,000

A monthly draw will take place in the Clubhouse and prize winners will be notified immediately. Details of winners and prizes will appear on the Clubhouse Notice board and the web site

Your entry will be effective from the month of your first standing order. There is no limit to the number of units of £5 you may wish to take up
