

Welcome from the New Club Chairman.

I am pleased to welcome you all to a new season at Beaconsfield Rugby Football Club.

It seems only a few years ago that I brought my son to join the Minis; but he is now playing for the First XV having progressed through most teams, and I have gained great enjoyment from helping with coaching, organising Mini Fixtures, a variety of other roles including Senior Fixtures to the dizzy heights of Chairman of the Main Committee.

We, as a club, want to promote this type of experience and retain and welcome back players and supporters alike. We also need help to run the club and there is a position for every size and stature both on and off the pitch. With this in mind I am asking for a gift of time through the coming season. This time might be in your own speciality or perhaps in the mundane things that need to be done to make the club run – the bar, the kitchen and of course on the pitch.

If you can help, please leave your details in the box on the Bar.

I look forward to your support and to seeing you in the Club during the coming weeks and above all I hope you enjoy your rugby at Beaconsfield.

Peter Miles.
