

Amersham & Chiltern RFC, in conjunction with the RFU Referees' Department, is hosting a Referee Education Evening on Wednesday 16th January at 7:00 p.m.

Aimed primarily at non-Society referees and lasting approximately 2 hours, the content of the sessions will be informative, challenging and thought provoking. We certainly believe that any non-Society referee will benefit significantly from attending. In addition, any player or coach who attends will also find the sessions of value.

Costing only £5, the Referee Education Evenings are open to any non-Society referee, irrespective of whether he or she has undertaken a formal refereeing qualification.

Candidates will receive supporting documentation on the evening and an RFU Certificate of Attendance following the event.

For more details on the Education Evenings please open this link to the RFU website:

Regards,

Nigel
