

A comprehensive victory on a memorable day. 62 – 5 the final score with a number of vets making their debut. These included Glen Tucker (2 tries), man of the match Simon Crow (3 tries), Russell Green and all the way back from NZ, young Darren Cooper.

Other tries were contributed by Slobber (his second five pointer of his long and illustrious career), Chicken, Spencer, Stephen Joesph – a fine effort from out side the 22 and one from Noel O'Mahony. Conversions were shared between Simon, Alan Maynard and Noel O'Mahony.

The younger vets in the back line definitely made a big difference and bodes well for the future season.
