

Old Abbotstonians RFC 7 v Beaconsfield RFC 37.

On Saturday (29 March) Old Abbots and Beaconsfield took to the field in conditions not seen since France, 1916. The abundance of mud did not make for a display of champagne rugby. By half time Beaconsfield had battled their way to an 8-7 lead and Old Abbots were in a good position to avenge their 64-0 mauling from earlier in the season. Unfortunately it was not to be, Beaconsfield got into their stride in the second half and were able to start clocking up tries. The final score was 37 7 in Beaconsfield's favour, Charlie Middleton and Mike Ing both clocking up two tries each. The match, as always was played in great spirit and was a shining example of what social rugby is all about.
